

Oasis Management (Hong Kong) LLC

Role:

Investment Analyst (Japan Team)

Description:

Oasis is a global multi-strategy hedge fund manager with headquarters in Hong Kong. We have a strong focus on Asia, including Japan. We invest in a wide range of opportunities as a multi-strategy manager. Oasis is committed to our Japanese market investments and engagement with those Japanese companies as consistent with our signing Japan's stewardship code, and was named as one of the top 10 global activist investors in 2018 by Activist Insight. Oasis is looking to hire an analyst to work closely with our investment team. The analyst will conduct research, analysis, due-diligence as well as meetings with senior management of Japanese companies for current and potential investments. The analyst would sit in the head office in Hong Kong, on the trading desk, and would be expected to make significant contributions to the team.

Responsibilities of the position will include:

- Conduct qualitative and quantitative primary research using all available public information including:
 - Primary Research including using public filings, websites, and transcripts
 - Building financial models
 - Interviewing management
 - Seeking out and speaking with industry and company contacts
 - Working on business plans to improve a company's ROE and other areas of improvement
 - Produce and present high quality written, oral and Excel-based work to support our investment process and decision-making, as well as present to management of public companies

The ideal candidate:

- 2+ years investment banking / asset management / sell-side research or private equity experience – ideally with a focus on equities
- Strong analytical and financial modeling skills
- Is an independent thinker who is highly intelligent and intensely motivated
- Has knowledge of asset classes and financial markets and is financial statement literate
- Is comfortable working independently
- Has a track record of success
- Possesses a high level of maturity and responsibility
- Fluent in Japanese and English
- Interested in improving Japanese companies and making profitable investments

Qualified candidates should send their CV and reference list to Recruiting@oasiscm.com
