

Oasis Management (Hong Kong) LLC

Role:

Korea Team Investment Analyst or Intern (depending on experience)

Description:

Oasis is a global multi-strategy hedge fund manager with headquarters in Hong Kong. We have a strong focus on Asia, including Korea. We invest in a wide range of opportunities as a multi-strategy manager. Oasis is looking to hire an analyst (or intern) to work closely with our investment team. The analyst (or intern) will conduct research, analysis and due-diligence, as well as meetings with senior management of Korean companies for current and potential investments. The analyst (or intern) would sit in the head office in Hong Kong, on the trading desk, and would be expected to make significant contributions to the team. The determination of if the candidate qualifies for a full time analyst role or an internship will be determined by Oasis based on upon the candidate's experience and qualifications.

Responsibilities of the position will include:

Conduct qualitative and quantitative primary research using all available public information including:

- Primary research including using public filings, websites, and earnings transcripts
- Building financial models
- Interviewing management
- Seeking out and speaking with industry and company contacts
- Produce and present high quality written, oral and Excel-based work to support our investment process and decision-making, as well as present to management of public companies.

The ideal candidate:

- Is an independent thinker who is highly intelligent and intensely motivated
- Has knowledge of asset classes and financial markets and is financial statement literate
- Is comfortable working independently
- Has a track record of success
- Possesses a high level of maturity and responsibility
- Fluent in Korean and English

Qualified candidates should send their CV and reference list to Recruiting@oasiscm.com.
